## multiple ad buys made easy.

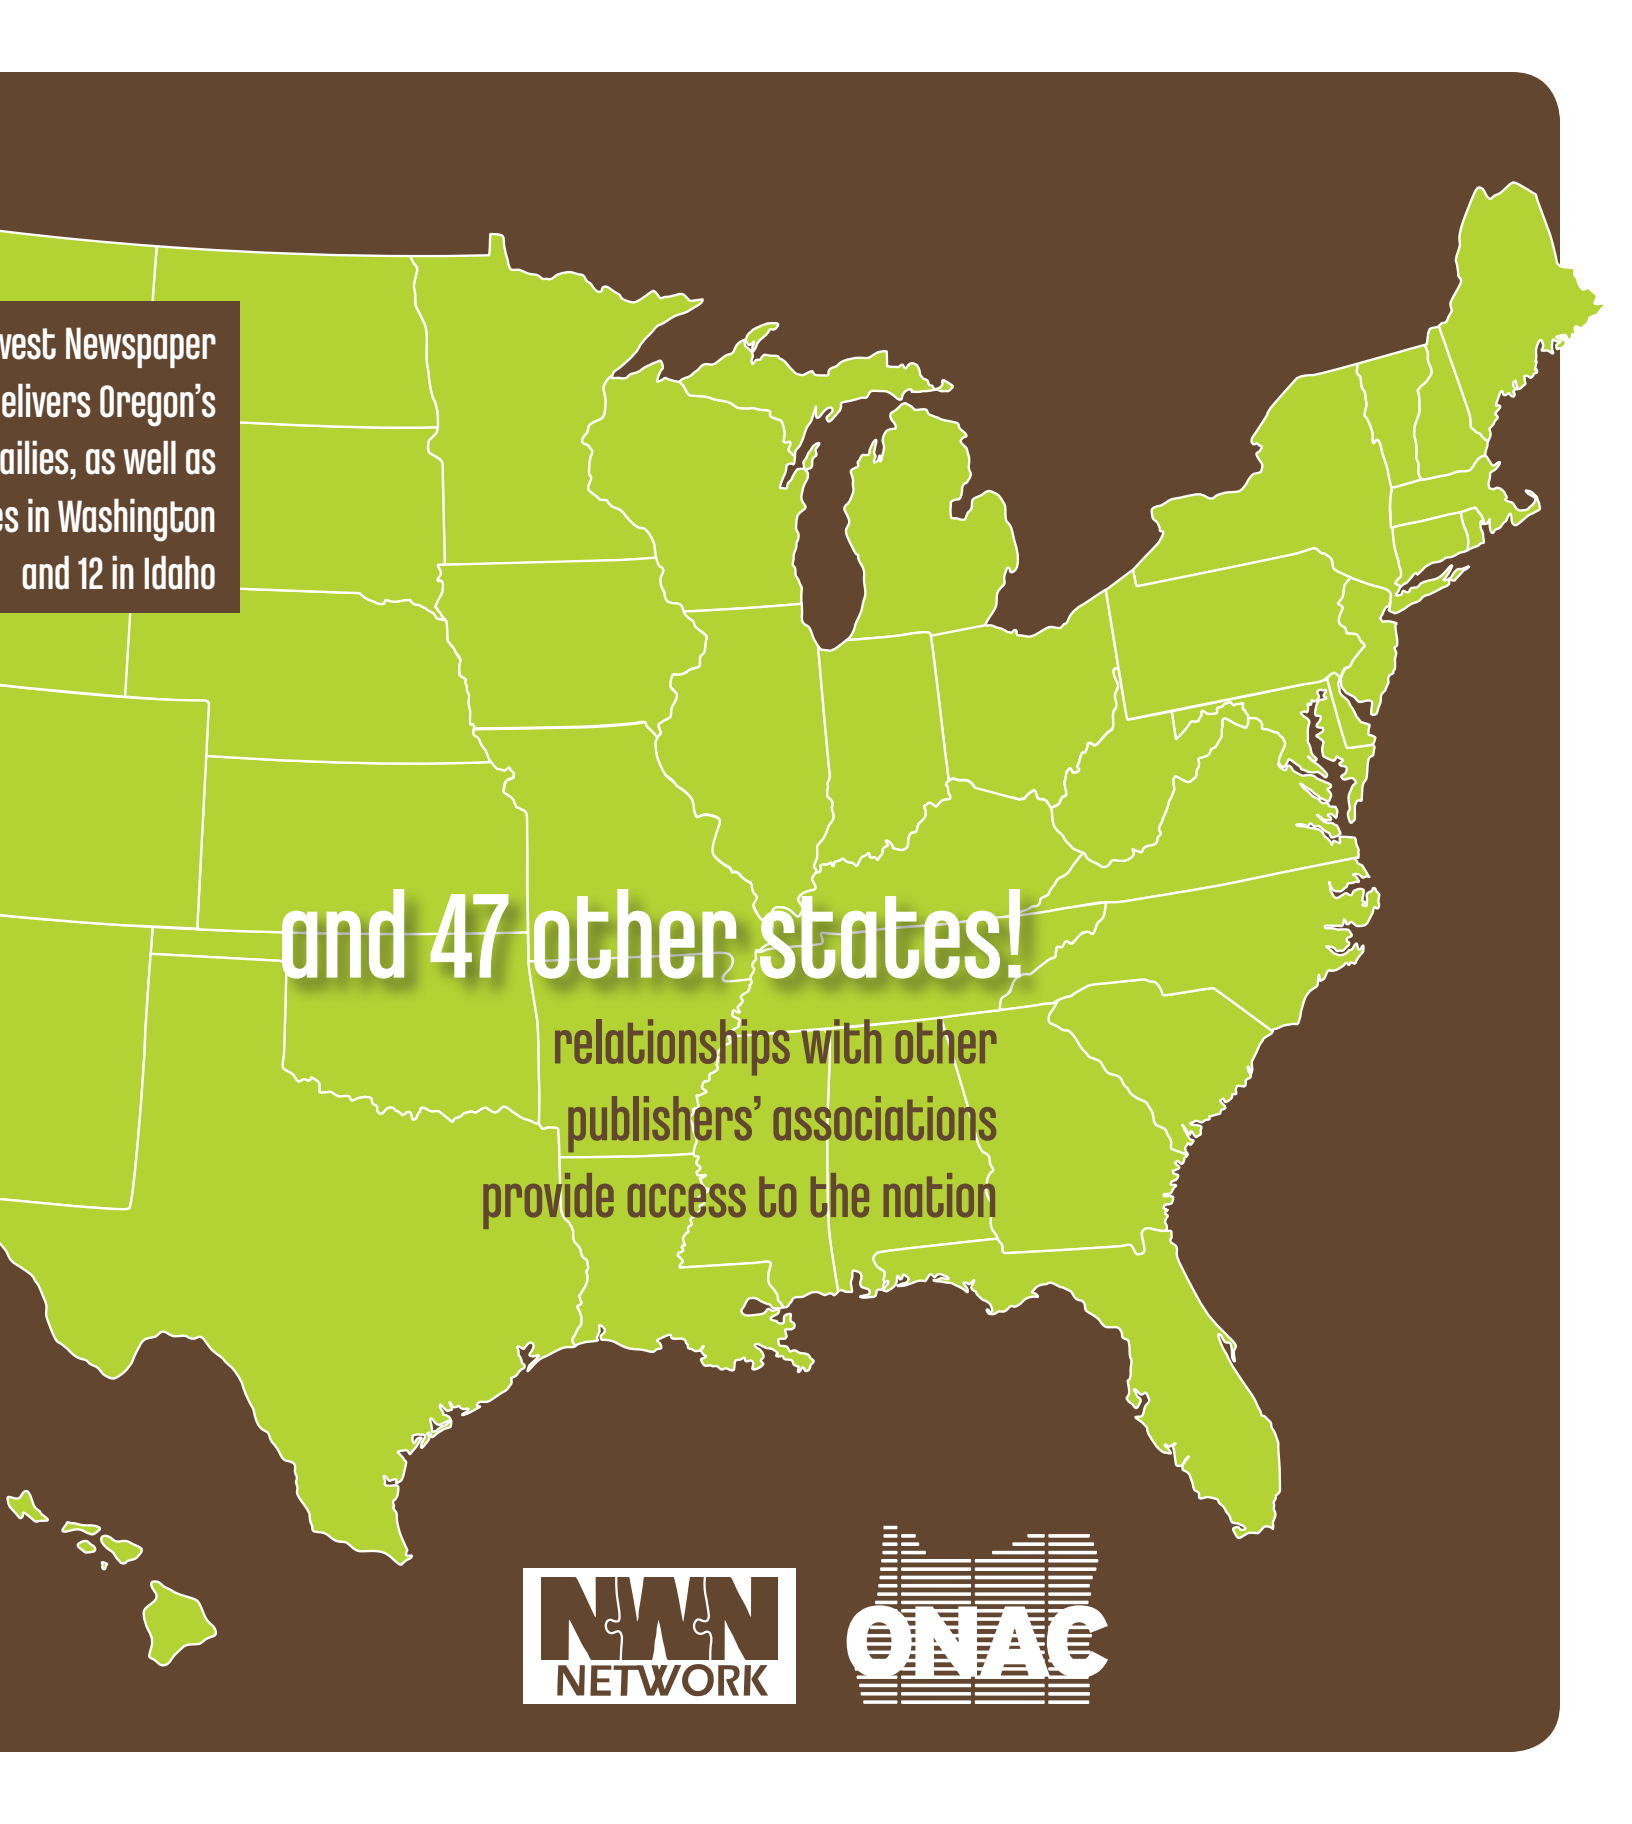

If you need to reach newspaper readers outside the local market area, you can – quickly and easily – with just one call to the Northwest Newspaper Network (NWN).

Combined, the Oregon Newspaper Advertising Company (ONAC) and NWN provide ready access to the rates, schedules and specifications of weekly newspapers in Oregon, as well as daily newspapers in Oregon, Washington and Idaho. Our connections with publishers' associations across the country open the door to national buys as well – all with one call.

We'll help you identify target publications and prepare a detailed quote for all of your ad insertions. With your approval, we'll make all space reservations, and can even distribute your artwork to all of the newspapers on your schedule. When the flight is complete, you'll receive one invoice, along with a complete set of tearsheets – all from one place, and with just one call: 503.624.6397.
